What will you bring to The Hub Volunteering Program?

Volunteer with The Hub

the charismatic extrovert
the supportive influence
the quiet planner
the creative genius
Volunteering is a great way to build your skills and make new friends!

The Hub volunteers make a huge contribution to our vibrant campus community. They raise funds for charity, organise great events, help students to settle in to uni life and so much more! To make these unique student-led projects a success we need all kinds of people from different backgrounds and with different skills.

Whether you are a chatty charismatic extrovert, a quiet planner and task manager or a creative genius – chances are we need someone just like you!

Join a well-structured program designed with your professional development in mind:

› Grow your confidence and leadership skills
› Gain experience through volunteering that is attractive to employers
› Lead a team of your peers and assist in the management of the program
